

Newsletter Décembre 2013

<http://www.carocel.fr>

Dear visitors and tenants,

The holiday season is approaching and while some prefer to stay home, others will tell you that this is a great time to travel. Beautiful illuminations, the friendly atmosphere of the market; why not add a little magic to your holidays?

Montpellier offers many activities for this period. A Christmas market of course, but also the "Hivernales" (<http://www.ot-montpellier.fr/agenda/les-hivernales-de-montpellier.html>) that will welcome music and wine lovers (not necessarily warm!) Friday and Saturday nights for the entire month of December.

You could as well find your happiness strolling in the historic center or opt for the exhibition of paintings and sculptures on the theme "Le Goût de Diderot," on the occasion of the tercentenary of the birth of the author until January 12, 2014 at the Musée Fabre.

Finally, if you love the maritime air, you can enjoy lovely walks in Palavas-les-Flots, and for the braves: the "Christmas swim" will take place on December 8 ☺ (<http://palavasnatationsauvetage.com/WordPress3>)

If you want to spend a Mediterranean Christmas, I still have some available apartments in downtown Montpellier or Palavas-Les-Flots (<http://www.carocel.fr>), so do not hesitate to contact me for more information.

I wish you very Merry Holidays.

Sincerely,

Marie-Christine Petit
